Here at ILM UK, we are dedicated to supporting the world's poorest people in developing countries. We tackle poverty at its root, by improving access to education and providing society's most vulnerable with opportunities for a better quality of life; focusing on providing Education, Orphan Support, and Safe Drinking Water.

**This year you've helped us:**

- Increase our pupil intake at Shams National School, India to 3,350, with new science laboratory, I.T. classrooms, and sports facilities.
- Phase 3 of this outstanding school is now under construction, together with a purpose built orphanage which will support 300 orphans.
- Sponsorship of 375 Hafiz and 530 Orphans from Pakistan, Bangladesh, India, Malawi and Sri Lanka.
- We have installed 1285 hand pumps, 54 motor pumps and 22 water wells in Pakistan, India, Bangladesh and Africa.
- Community Projects: Supporting schools, orphanages and health clinics, providing Ramadan Iftars and food distribution; and providing fresh meat for Udhayah/Qurbani and Aqeeqah through community based initiatives.

## Sponsor an Orphan 😊

There are millions of orphans worldwide, many of these children are utterly helpless and forced to face an uncertain future all by themselves.

At ILM UK, we're dedicated to supporting children with no protectors.

With the support of generous donors, we are able to provide our orphans with healthcare, a safe and loving home, nutritious meals, clothing, secure futures and better opportunities.

We work to ensure no child is left alone, abandoned and unprotected. **You can help us make this possible from as little as £1 per day!**

**£30**

Faisal Ali lost his father to an accident at the age of four. But this has neither defined him, nor held him back. Today, Faisal is one of our brightest students. He has found a second family among his classmates, many of whom are sponsored orphans like him.

## Our Happy Home

We want all children to be able to live in a loving family environment where they can reach their full potential of a bright and successful future, and have a place where they can call home.

Our Orphanages provide just that; they offer a safe home, education, health care and security for our children.

In Limbe, Malawi, ILM UK runs the Al Haq Islamic Trust, which is a safe haven for children with no parents or protectors. Children are provided with round the clock care, and an education.

We want to build even more; so we have just launched an exciting new project for an Orphan Village in Lucknow called Happy Home.

### Our 'Happy Home'

A brand new village in Lucknow will accommodate 100's of orphans and provide them with a safe and family orientated home.

# Education for all

We believe that education is key to helping people break out of the poverty cycle. By educating children in developing countries, we are giving them the tools for better opportunities and a brighter future.

Today, ILM UK operates fourteen schools across four countries, where students are provided with a free education.

Based in Uttar Pradesh, India, **Shams National School** is ILM UK's flagship school. Here we run classes from nursery to college level.

Phase 3 of this outstanding school is now under construction, together with a purpose built orphanage

# Hafiz Sponsorship

Faith is an integral part of society for many cultures in the developing world. Often, faith enables people to overcome hardships through strength of spirit, and holds communities together.

At ILM UK we recognise the importance of faith, and run Hifz e Quran courses. Hifz e Quran refers to learning the whole Quran by heart. The courses enable students to master Islamic scripture through memorisation and Tafsir –exegetic understanding.

**A student will study for three years at a cost of £360 each year.**

**£30**

per month

## Water Saves Lives

**Over 650 million people in the world, have no access to safe water. They are forced to consume what is available, when it is available. Often these people know their water isn't clean, and that it makes them ill. They have no other choice. But we do.**

We run water projects in India, Pakistan, Nepal, Bangladesh and Malawi.

We install hand pumps in underprivileged, often isolated villages with no clean water source. We even install hand pumps in individual family homes, in an effort to improve the quality of life of vulnerable, elderly or disabled adults.

**£170**  
for a hand  
pump\*

**£300**  
for a motor  
pump\*

\*This price is for hand pumps in India or Pakistan. Please call us to find out the costs in other places around the world.

We build water projects in communal access areas like mosques, village centres or near schools. This makes collecting water easy, and even helps to increase attendance among students at ILM UK schools. It provides ease, health security, and gives back time.

We build water wells in deprived, farming communities.

**Install a hand pump from  
£170 in India or Pakistan.**

# Eye Care

**It has been estimated that there are 285 million visually impaired people, and 39 million are blind.**

For the past 10 years, ILM UK has been providing free, comprehensive eye-care at its hospital and five primary eye care centres, throughout South Asia and Africa. At our centres we offer screening and detection of eye illnesses, advice and support for patients, their families and carers. We provide eye surgeries and treatment for patients who cannot afford to pay the cost of such treatment.

**We can only carry out this valuable work with your help, it could save someone's sight – and their life.**

**£5**

per eye  
test

**£35**

per eye  
operation

**£100**

per month\*

\*Monthly donations of any amount will help towards to ongoing running costs of our clinics and centres. It will also help us start new mobile clinics, and build new centres.

# Break their fast

**Hunger kills. Every year there are millions of Muslims who's fasting never ends.**

During Ramadan Muslims are required to fast from dawn to sunset, however many people do not have enough food or water to do so!

ILM UK provides food packages to the poor and widow on monthly basis and we organise Iftari programmes where poor families can gather and open their fasts.

**Donate a food pack for the entire month of Ramadan for £45**

**£6**
