- Promote tolerance and social justice.

Organisational structure

A board of trustees of 4 members who meet on a monthly basis to conduct the business of the project and delegates day to day activities to the Chairman. The Organisational structure consists of Chairman and four trustees.

Review of activities and achievements

Following basic projects were selected:-

- Support education.
- Medical Camp/ eye sight camp
- Clean water project / sewing machine distribution
- Supporting women to gain empowerment
- Support Schools by contributing financial and materially
- Supporting orphans through sponsorship schemes

Statement of trustees' responsibilities

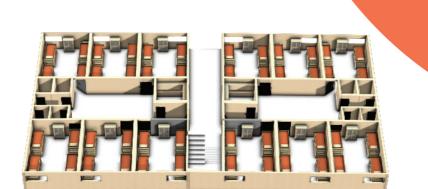

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end and of its incoming resources and resources expended during that year. In preparing those financial statements, the trustees are required to:-

- make suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993.
- They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees recommend that Nasser ϑ Company remain in office until further notice.

This report was approved by the trustees and signed on its behalf by

Our Happy Home

We want all children to be able to live in a loving family environment where they can reach their full potential of a bright and successful future, and have a place where they can call home.

Our Orphanages provide just that; they offer a safe home, education, health care and security for our children.

In Limbe, Malawi, ILM UK runs the Al Haq Islamic Trust, which is a safe haven for children with no parents or protectors. Children are provided with round the clock care, and an education.

We want to build even more; so we have just launched an exciting new project for an Orphan Village in Lucknow called Happy Home.

Faisal Ali lost his father to an accident at the age of four.
But this has neither defined him, nor held him back. Today, Faisal is one of our brightest students. He has found a second family among his classmates, many of whom are sponsored orphans like him.

There are millions of orphans worldwide, many of these children are utterly helpless and forced to face an uncertain future all by themselves.

Our HappyHome

A brand new

village in Lucknow

will accomodate 100's of orphans and provide them

with a safe

and family orientated home.

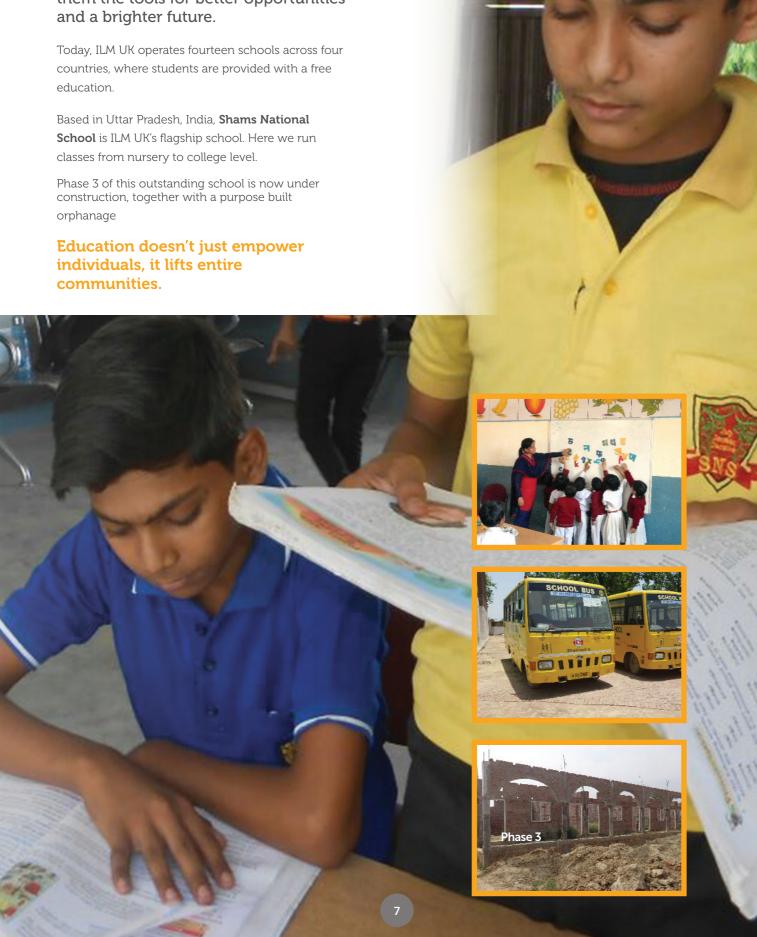

At ILM UK, we're dedicated to supporting children with no protectors.

With the support of generous donors, we are able to provide our orphans with healthcare, a safe and loving home, nutritious meals, clothing, secure futures and better opportunities.

We work to ensure no child is left alone, abandoned and unprotected.

Education for all

We believe that education is key to helping people break out of the poverty cycle. By educating children in developing countries, we are giving them the tools for better opportunities and a brighter future.

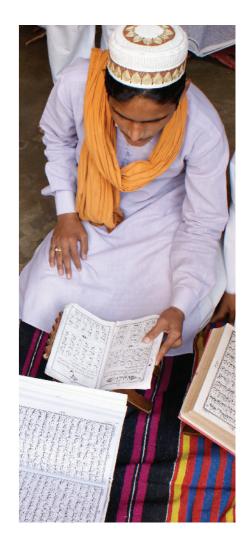

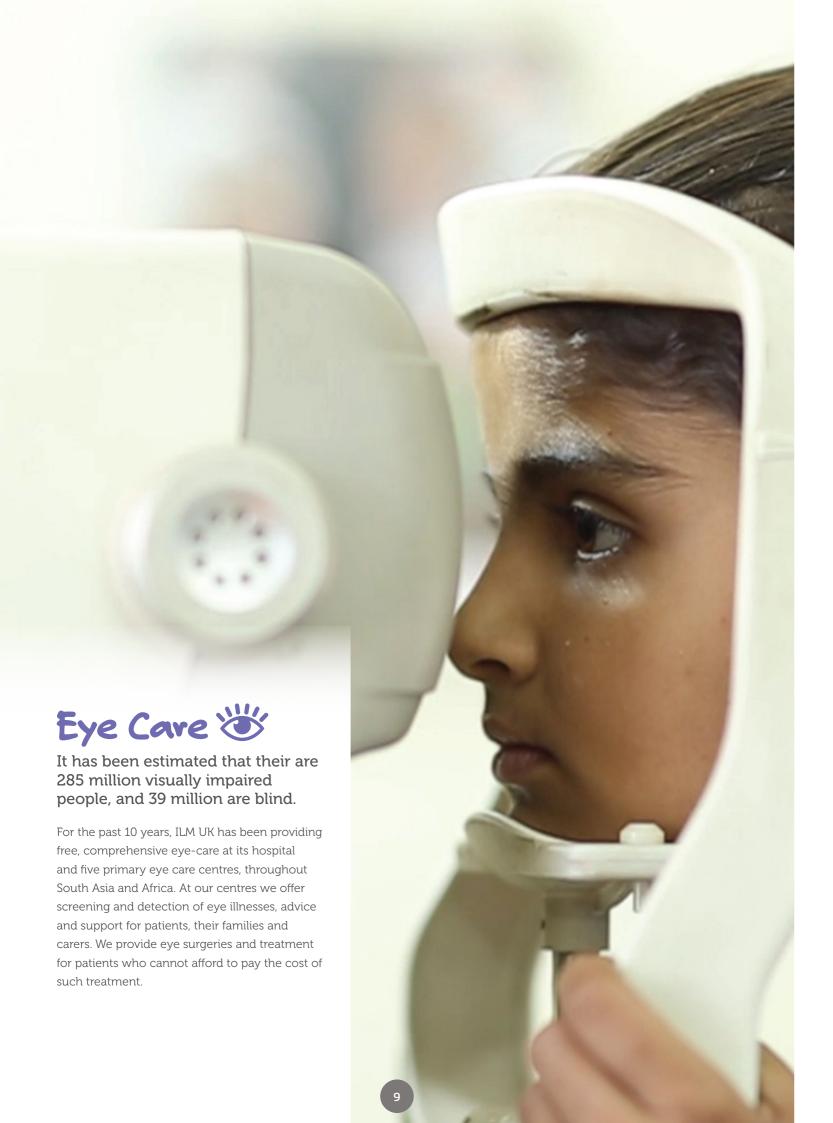

Hafiz Sponsorship

Faith is an integral part of society for many cultures in the developing world. Often, faith enables people to overcome hardships through strength of spirit, and holds communities together.

At ILM UK we recognise the importance of faith, and run Hifz e Quran courses. Hifz e Quran refers to learning the whole Quran by heart. The courses enable students to master Islamic scripture through memorisation and Tafsir – exegetic understanding.

A student will study for three years at a cost of £360 each year.

The ILM UK Eye Hospital in Pakistan was built in memory of the Late Khwaja Karamat Hussain

We can only carry out this valuable work with your help, it could save someone's sight – and their life.

Monthly donations have helped towards ongoing running costs of our clinics and centres. It also helps us start new mobile clinics, and build new centres.

people know their water isn't clean, and that it makes them ill. They have no other choice. But we do.

We run water projects in India, Pakistan, Nepal, Bangladesh

We install hand pumps in underprivileged, often isolated villages with no clean water source. We even install hand pumps in individual family homes, in an effort to improve the quality of life of vulnerable, elderly or disabled adults.

We build water projects in communal access areas like mosques, village centres or near schools. This makes collecting water easy, and even helps to increase attendance among students at ILM UK schools. It provides ease, health security, and gives back time.

We build water wells in deprived, farming communities.

Hunger kills. Every year there are millions of Muslims who's fasting never ends.

During Ramadan Muslims are required to fast from dawn to sunset, however many people do not have enough food or water to do so!

ILM UK provides food packages to the poor and widow on monthly basis and we organise Iftari programmes where poor families can gather and open their fasts.

Independent auditors' report to the trustees of International Learning Movement

We have audited the accounts of International Learning Movement for the year ended 31 March 2016 which comprise the Statement of Financial Activities, the balance sheet, cash flow statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Section 43 of the Charities Act 2011 and regulations made under 44 of the Act. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume liability to anyone other than the charity's trustees as a body, for our audit work, for this report or for the opinions we have formed.

Respective responsibilities of the trustees and auditors

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees are responsible for the preparation of the accounts which give a true and fair view.

We have been appointed as auditors under Section 43 of the Charities Act 2011, and report in accordance with regulations made under Section 44 of the Act.

Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practice Board's Ethical Standards for Auditors.

Scope of the Audit of the Financial Statements

As audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatements, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees and the overall presentation of the accounts.

In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with audited accounts. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the accounts:

- give a true and fair view of the state of the charity's affairs as at 31 March 2016 and of its incoming resources and application of resources and cash flow, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities Act 2011.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 require us to report to you if, in our opinion;

- the information given in the Trustees' Report is inconsistent in any material respect with the accounts; or
- sufficient accounting records have not been kept; or
- the accounts are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Notes to the financial statements for the year ended 31 March 2016

1. Accounting policies

1.1. Accounting convention

The financial statements are prepared under the historical cost convention and follow the recommendations in 'Accounting and Reporting by Charities: Statement of Recommended Practice' issued in October 2000.

1.2. Incoming resources

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable. Gifts donated for resale are included as income when they are sold. Donated assets are included at the value to the charity where this can be quantified and a third party is bearing the cost. The value of services provided by volunteers has not been included.

Income from investments is included in the year in which it is receivable.

1.3. Resources expended

Resources expended are recognised in the year in which they are incurred.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

1.4. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:
